

We are pleased to enclose information about the exclusive cellular phone arrangements from IsraelPhones for our upcoming trips to Israel. We have worked with the Israel and U.S. based cellular rental company IsraelPhones in the past. IsraelPhones has always provided us with excellent service throughout the country and preferred rates for all of our participants. For your security and well-being, it is highly recommended that all travelers participate in the IsraelPhones Cellular Network. This plan enables our group leaders to reach all participants immediately and simultaneously in all circumstances – an advantage that has proven itself countless times with other groups.

The exclusive rates we have arranged with IsraelPhones are:
